

# LIBERTY 2-SEATER

1LY2-300

1040H | 1540W | 900D (mm)

Seat Height: 480mm

Weight: 110kg

## KEY FEATURES

- Plywood reinforcement provides additional strength and stability
- Removable seat cushions allows for thorough safety inspection and cleaning (ideal for incontinence)
- Seat and back cushions are securely locked in place during use
- Seat static weight tested to 200kg

### MATERIAL/FABRICATION

Weighted structure to maximise durability. The plywood reinforcement is used to increase the solidity (certified in accordance with BS EN 16139). The space between the base and the floor makes cleaning and inspections easier. The seat cushions can be removed for thorough cleaning and safety inspections, but are blocked when someone sits on them for safety reasons. The interior is designed in flame retardant CMHR (high resilience with modified combustion) foam for safe use by both users and staff. All fabrics are flame retardant in accordance with safety standards

### TEST STANDARDS

- Fire retardant to BS 7176:2007 source 5
- Strength and stability tested BS EN 16139:2013 (Level 2)
- Seat static weight tested to 200kg
