

RUBUS 2-SEATER

1RS2

890H | 1720W | 940D (mm)
Seat Height: 445mm

KEY FEATURES

- Reinforced seat platform as standard for improved durability
- Removable seat cushions for easy cleaning
- Stylish chrome feet with nylon glides to protect flooring
- Low back design provides modern look and good visibility for staff
- Strength and stability tested for severe contract use

MATERIAL/FABRICATION

Constructed from a solid timber frame with plywood reinforcement for strength and durability. The Rubus range's wide stance gives it a reassuring, stable presence and its broad angled arms deliver supportive comfort. The low back design provides a modern look and good visibility for staff. Modern chrome feet complete the package, making Rubus a reliable all-round option. Additional reinforcement in the Plus range makes it perfect for demanding environments. Cushioned areas made from fire retardant, CMHR (combustion modified high resilience) foam is safe for both users and staff

TEST STANDARDS

- Fire retardant to BS7176:2007 source 5
- Strength and stability tested to BS EN 16139:2013 (Test Level 2)
- Strength and stability tested to BS EN 15373:2007
