

UK Registered Design No. 6059837

KEY FEATURES

- Heavily weighted to 88kg to deter misuse (other weight options are available)
- Ergonomically designed to prevent stacking and to deflect rainwater
- Durable polyethylene one-piece construction provides excellent strength
- Water-resistant, UV-stabilised material which is 100% recyclable
- Suitable for outdoor use
- Static load tested to a weight of 900kg

MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilised shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product

TEST STANDARDS

- Strength and stability tested to BS EN 16139:2013 – Level 2 (severe contract use).
- Seat strength and durability tested to 500,000 cycles
- Tested to ANSI/BIFMA X5.5:2012 standard
- Fire retardant to BS 5852:2006 ignition source 5, CAL 133, UL 94 and DIN 66084
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours
- Static load tested to a weight of 900kg
- Antibacterial Activity MOD iso 11196:2011
- Ryno ISO 11925 (2020)

OPTIONS

- Unweighted (22kg) or additionally weighted to 88kg as standard
- Invisible floor fixing method (UK patent pending)
- Lime Green (LG) and Vegas Yellow (VY) colours have a minimum order quantity of 12 units

COLOUR/FINISH

CORE COLOURS

NON-CORE COLOURS

DELIVERY

[core colours] leadtime 5 weeks | [non-core colours] will have longer leadtimes and additional costs

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

Additional weighting can be carried out prior to delivery. Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://uk.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape .

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
