

KEY FEATURES

- Heavily weighted to 30kg as standard to deter misuse (other weight options available)
- Ergonomically designed to give excellent comfort
- Anti-microbial, wipe-clean material protects throughout the product
- Water resistant, UV stabilised material makes items suitable for outdoor use
- Designed for Sizemark 4 posture requirements (stature range 1330-1590mm)

MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Small holes drilled in the seat make it suitable for outdoor use. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product

TEST STANDARDS

- Strength and stability tested to BS EN 16139:2013 - Level 2 (severe contract use)
- Tested to ANSI/BIFMA X5:5:2012 standards
- Fire retardant to BS 5852:2006 ignition source 5, to CAL 133 and UL 94 HB
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours

OPTIONS

- Upholstered seat and back pads (unsuitable for outdoors)
- Floor fixing solutions
- Linking brackets to connect chairs
- Lightweight model (8kg)

COLOUR/FINISH

[Core colours] Moonwalk Grey, Granite, Cool Green, Icon Purple, Epic Blue, [Other available colours] Lime Green, Vegas Yellow, Thunder Grey, Dusty Blue, Dusty Pink, Teal, Violet Purple and Warm Terracotta

DELIVERY

Lead time 5 weeks (8 weeks for upholstered items), non-core colours may have a longer leadtime and additional costs.

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

Additional weighting can be carried out prior to delivery. Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://uk.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
