

KEY FEATURES

- Rounded, one-piece construction deters misuse and prevents concealment of contraband
- Cruciform base designed to minimise conflict
- The moulded top table is divided into separate user areas to reduce conflict
- Moulded top table is water resistant and UV stabilised, making it suitable for outdoor use
- Heavily weighted to prevent overturning
- Extremely durable - tested to withstand a static load of 500kg

Base Colours

Black bases made from 100% recycled content

Tabletop Colours

Core colour

MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product

TEST STANDARDS

- Tested to ANSI/BIFMA X5.5:2012 standards
- Fire retardant to BS 5852:2006 ignition source 5, CAL 133 and UL 94 HB
- Strength and stability tested to BS EN 15372:2008 Level 2 (6.4) to 300,000 cycles
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours
- Tested to withstand a static load of 500kg

OPTIONS

- Unweighted (33kg) or additionally weighted up to 99kg
- Floor fixing solution

COLOUR/FINISH

Base comes in Black or Granite as standard. Table top available in Granite only

DELIVERY

Lead time 5 weeks

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

Additional weighting can be carried prior to delivery. Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://uk.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape

Due to the nature of the rotational moulding process, flat surfaces on Ryno[®] products may feature slight undulations which do not detract from the product's strength or durability.
