

KEY FEATURES

- Heavily weighted to 49kg to deter misuse (other weight options are available)
- Ergonomically designed to prevent stacking and to deflect rainwater
- Durable polyethylene one-piece construction provides excellent strength
- Water-resistant, UV-stabilised material which is 100% recyclable
- Suitable for outdoor use
- Static load tested to a weight of 450kg

UK Registered Design No. 6059839
Furniture Securement System
GB Patent No. 2586304

MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product

TEST STANDARDS

- Strength and stability tested to BS EN 16139:2013 – Level 2 (severe contract use).
- Exceeded the 200,000 cycle pass mark by a further 300,000 cycles
- Tested to ANSI/BIFMA X5:5:2012 standard
- Fire retardant to BS 5852:2006 ignition source 5, CAL 133 and UL 94 HB
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours
- Static load tested to a weight of 450kg

DELIVERY

[core colours] leadtime 5 weeks | [non-core colours] will have longer leadtimes and additional costs

ASSEMBLY

Arrives assembled and ready to use

OPTIONS

- Unweighted (5kg) or additionally weighted up to 49kg
- Invisible floor fixing method (UK patent pending)
- Optionally made with 40% reused content

COLOUR/FINISH

RYNO® STOOL

INSTALLATION/FITTING

Additional weighting can be carried out prior to delivery. Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://uk.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape .

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
