

KEY FEATURES

- Heat resistant laminate top
- Solid steel base plate provides strength and stability
- 300 diameter steel plate pedestal for additional strength
- Heavily weighted to deter misuse

MATERIAL/FABRICATION

High-pressure laminate covered particle board surface with PVC impact edging on smooth rounded corners. Heavy solid steel base and plate for safety and stability with textured epoxy powder coated finish. Table top is screwed to the base using security fixings and added bond tape to make it extra secure

TEST STANDARDS

- Strength and stability tested to BS EN 15372:2008 - Level 2

OPTIONS

- Solid grade laminate top for superior strength and water resistance
- Lower risk Cumulus tables are available

COLOUR/FINISH

Base comes in Anthracite as standard. Table top available in White, Anthracite or Hickory

ASSEMBLY

Arrives assembled and ready to use

DELIVERY

Leadtime 3 weeks

INSTALLATION/FITTING

No fitting required

MAINTENANCE

Easy to keep clean with a soft, damp cloth. Use of a non-abrasive cream cleaner is acceptable on the top. Avoid using solvents, bleaches, abrasives or synthetic detergents. Heat resistant but not heat proof so avoid putting items straight from the oven directly in contact with the top and please avoid wetting the edges

WARRANTY

7 year guarantee
