

KEY FEATURES

- Natural wood effect laminate top
- heat and impact resistant
- Solid Beech frame
- 3 tables which fit neatly inside each other when not in use to save space

MATERIAL/FABRICATION

The solid Beech wood structure (certified according to BS EN 15373: 2007) ensures optimal resistance, while the elegant natural wood effect top is made of impact and heat resistant laminate for increased safety (certified BS6250 standard)

TEST STANDARDS

- Strength and stability tested to BS EN 15373:2007
- Surface durability tested to BS6250

OPTIONS

- Other table styles are available in the Lichfield range

COLOUR/FINISH

Frame comes in Beech as standard

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

No fitting required

MAINTENANCE

A regular light dusting with a soft cloth is all that is required to maintain the appearance of this range. For more stubborn marks use a damp, not wet, cloth (a non-abrasive water-based cleaning agent can be used) and dry thoroughly. It is important to avoid using abrasive materials or cleaning agents for cleaning as this will cause scratching to the surface. Excessive amounts of water should also be avoided - any accidental spillages should be mopped up immediately and the surface dried thoroughly. More care guidance information can be found <https://uk.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

7 year guarantee
