

KEY FEATURES

- One-piece design makes products water-resistant and prevents concealment of contraband
- Reduced-ligature design features
- Safely rounded corners
- Organic textures help to create an environment that fosters recovery
- Anti-microbial material provides excellent hygiene properties throughout

International Registered
 Design No. DM/204506

→ Core colour

MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product.

TEST STANDARDS

- EN 1725:1998 (corresponding to a 36 stone user)
- FIRA international standard 059:2014 Contract Beds
- Fire retardant to BS 5852:2006 ignition source 5,
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours

ASSEMBLY

Arrives assembled and ready to use

COLOUR/FINISH

[Core colours] Moonwalk Grey [Other available colours] Granite, Cool Green, Icon Purple, Epic Blue, Lime Green, Vegas Yellow, Thunder Grey, Dusty Blue, Dusty Pink, Teal, Violet Purple and Warm Terracotta

Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://uk.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
