

KEY FEATURES

- Subtle wings provide comfort and privacy
- Sweeping seat design acts as an integrated armrest
- Strong and elegant solid metal legs available
- Seat static weight tested to 160kg

MATERIAL/FABRICATION

The Smile range surrounds, comforts and ensconces its occupants, providing a private and relaxing space. Core to the design (and the name) is a sweeping curved seat platform which rises to become a tactile, integrated armrest. All fabrics are fire retardant, in accordance with testing standards.

TEST STANDARDS

- Strength and stability tested to BS EN 16139:2013
- Fire retardant to BS7176:2007 source 5
