

ACUMEN 4 DRAWER CHESTS

1AUC-400-HG

835H | 810W | 485D (mm)

Top Panel: 25mm

Side/Back Panels: 18mm

Weight: 82kg

KEY FEATURES

- 25mm thick tops and 18mm Hickory melamine-faced carcass
- Heavy-duty hinges on drawer runners (rated to 45kg)
- Heavy weighted to deter misuse
- Reduced ligature design features
- Strength and stability tested to contract levels
- Optional 12mm CLEAN-TEC Solid-Surface top

MATERIAL/FABRICATION

Heavily weighted carcass made from a combination of melamine-faced particle board and vinyl-wrapped medium density fibreboard. Complete with drawer stops and fully glued, fixed shelves to prevent removal as well as anti-stash panels. Heavy-duty hinges and robust drawer runners used (rated to 45kg) as well as scalloped handles, piano hinges, curved door tops and half-depth shelves to reduce ligature risk. Corners are smooth and rounded for additional safety as well all edges being lipped in tough 2mm PVC. Security fixings as standard.

CLEAN-TEC* is a solid, water-resistant material with a tactile feel and a seamless smooth finish. Highly resistant to bacteria and mould, CLEAN-TEC's non-porous nature makes it ideal for stringent infection-control practices and its low VOC (volatile organic compounds) minimise harmful emissions while supporting indoor air quality.

OPTIONS

- Locks to drawers
- Wall fastenable
- Optional 12mm CLEAN-TEC* Solid-Surface top, these tops are available in white only, and are recommended for low-risk areas (as below)

Acumen Wide Chest (in Walnut)
