- Bent plywood legs with softened edges for safety
- Suitable for wheelchair users

MATERIAL/FABRICATION

Range of dining tables (certified to BS EN 15373: 2007) made of sturdy varnished plywood, with rounded edges for safety. The table top is made of natural wood effect laminate resistant to impact and heat for increased safety (certified to BS6250 standard)

TEST STANDARDS

- Strength and stability tested to BS EN 16136:2013 (Level 2)

COLOUR/FINISH

Finish available in Natural

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

No fitting required

MAINTENANCE

A regular light dusting with a soft cloth is all that is required to maintain the appearance of this range. For more stubborn marks use a damp, not wet, cloth (a non-abrasive water-based cleaning agent can be used) and dry thoroughly. It is important to avoid using abrasive materials or cleaning agents for cleaning as this will cause scratching to the surface. Excessive amounts of water should also be avoided - any accidental spillages should be mopped up immediately and the surface dried thoroughly

WARRANTY

7 year guarantee
