

CODA 3-SEATER

1CDA3-900

815H | 2000W | 800D (mm)

Seat Height: 450mm

Weight: 90kg

KEY FEATURES

- 40mm space between cushions to prevent concealment and make inspection safer
- Unlike conventional sofas, there are no dirt-traps and can be thoroughly cleaned
- Powdercoated steel frame and feet which are resistant to moisture from cleaning
- Plywood reinforcement for strength
- Seat static weight tested to 500kg

MATERIAL/FABRICATION

Coda is a fully plywood reinforced, anti-stash seating range with a 40mm space between the seat platform and the arms and back, making visual inspections easier and preventing concealment opportunities. Coda is raised off the ground to improve visibility and further aid cleaning practises. A matt black powdercoated metal frame with security fixings includes black plastic feet glides to prevent floor damage

TEST STANDARDS

- Strength & stability (EN 16139:2013 Level 2)
- Extra durability (500,000 seat and back cycles)
- Static weight test (seat) 500kg
