

RUBUS PLUS ANTI-CONCEALMENT CHAIR

1RS1-900

890H | 1170W | 940D (mm)

Seat Height: 445mm

KEY FEATURES

- Full plywood reinforcement for added strength
- Fully enclosed base to prevent concealment
- Seat, back and arms upholstered separately and securely bolted together
- Stylish chrome feet with nylon glides to protect flooring
- Low back design provides modern look and good visibility for staff

MATERIAL/FABRICATION

Constructed from a solid timber frame with plywood reinforcement for strength and durability. The Rubus range's wide stance gives it a reassuring, stable presence and its broad angled arms deliver supportive comfort. The low back design provides a modern look and good visibility for staff. Modern chrome feet complete the package, making Rubus a reliable all-round option. Additional reinforcement in the Plus range makes it perfect for demanding environments. Cushioned areas made from fire retardant, CMHR (combustion modified high resilience) foam is safe for both users and staff

Rubus Plus incorporates an improved anti-concealment system. Seat, back and arms upholstered separately and bolted together improves the life of the product and reduces the need of aftersales care.
