

KEY FEATURES

- Heavily weighted to increase stability and deter misuse
- Fully upholstered with stitched seams and security fixings (no piping or staples)
- Anti-roll tapered design
- Durable 25mm plywood core table top
- Easy to clean for infection control

MATERIAL/FABRICATION

Carcass is made from robust plywood, solidwood framework, with 18mm thick plywood seat and base panels for support and reinforcement. Plywood base panels allows staples to be hidden to deter misuse, anti-concealment upholstery and construction. Interior made from fire retardant, CMHR (combustion modified high resilience) foam so is safe for both users and staff.

TEST STANDARDS

- Flammability standards UL94 HB / BS 5852:2006 CRIB 5
