# RYNO<sup>®</sup> COMBO TABLE → FLOOR FIXING

01

Place the floor fixing brackets in position ensuring they interlock correctly.  
Mark floor using holes in floor fixing brackets and install appropriate floor fixing hardware into floor

Fix brackets into floor using suitable hardware

02

03

Place the base of Ryno combo table over the floor fixing brackets ensuring the studs pass through. Ensure the base is firmly in contact with the floor

Place the remaining three hold down plates over the studs ensuring they are in the correct orientation and attach to the brackets using the six nuts and washers provided
