

## KEY FEATURES

- Tapered angled design minimises ligature risks
- Includes 40% recycled polymer
- Wheelchair accessible design
- Can be fixed to the wall at a height which suits the user
- Hygienic wipe-clean surface
- Strength and stability tested for severe contract use

→ Core colour

### MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilised shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product.

### TEST STANDARDS

- EN 15372 non-domestic testing
- EN 15372:2016 Test Level 3

### OPTIONS

- Wall fixing solution

### COLOUR/FINISH

[Core colours] Moonwalk Grey [Other available colours] Granite, Cool Green, Icon Purple, Epic Blue, Lime Green, Vegas Yellow, Thunder Grey, Dusty Blue, Dusty Pink, Teal, Violet Purple and Warm Terracotta

### DELIVERY

Stocked in 1 colour- Moonwalk Grey and has a 10-15 days leadtime. For more information on other non-stocked non-core colours/ leadtimes please contact our sales team.

### ASSEMBLY

Arrives assembled and ready to use

## INSTALLATION/FITTING

We recommend fitting to be completed by our skilled installation team. Otherwise products may be fixed, by the customer, using wall anchors and fixings of their choice.

## MAINTENANCE

Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more on our website.

## WARRANTY

Lifetime guarantee against all manufacturing faults

## DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
