

CIRRUS COFFEE TABLE

1CUF-WH

420H | 700W | 700D (mm)

Weighted: 82kg

Unweighted: 60kg

KEY FEATURES

- Rounded corners and heavy weight help to prevent misuse
- Waterproof, easy-to-clean table top surface with anti-spill lip
- Waterproof ABS base allows regular mopping without damage to the product
- Heavily weighted to deter misuse
- Low centre of gravity to prevent tipping

MATERIAL/FABRICATION

Heavily weighted carcass made vinyl-wrapped medium density fibreboard with a thermoformed waterproof ABS impact-resistant base, easy to clean white DURA-TEC or CLEAN-TEC solid surface and a Hickory effect vinyl wrap. Cirrus has an enclosed base to prevent concealment and the table corners are smooth and rounded for additional safety.

DURA-TEC: Low-maintenance and difficult to damage, DURA-TEC's flexibility and toughness make it ideal for challenging environments. Its smart, non-porous matte finish does not retain moisture and does not sag or deform with age.

CLEAN-TEC: Is a solid, water-resistant material with a tactile feel and a seamless smooth finish. Highly resistant to bacteria and mould, CLEAN-TEC's non-porous nature makes it ideal for stringent infection-control practises and its low VOC (volatile organic compounds) minimises harmful emissions while supporting indoor air quality.

OPTIONS

- Also available as a Cirrus side table

Cirrus side table
1CUS-WH
460H | 400W | 400D (mm)
Weighted: 42kg

ASSEMBLY

Arrives assembled and ready to use

COLOUR/FINISH

White DURA-TEC or CLEAN-TEC solid surface table top, with wood-effect Hickory finish with grey base.

TEST STANDARDS

- EN 15372:2016 - Test Level 3

For information regarding test certification please contact our sales team on +44 (0)1622 237830 or email us at sales@pineapplecontracts.com.
