Coffee

Tables

Pineapple

Cirrus tables are designed with safety, strength and style in mind, making them a perfect addition to mental health environments.

The smoothly rounded silhouette is combined with heavy weighting to prevent the tables from being picked up, reducing the risk of misuse. The weight is situated at the base of the table, providing superior stability and resistance to tipping.

Cirrus is available with 2 durable top options. **DURA-TEC** is a low-maintenance, damage-resistant surface covering with a smart matte finish. **CLEAN-TEC** is a solid material with a smooth tactile

finish. Both options are totally water-resistant, easy to clean and feature an integrated lip around the edges to help contain spills, keeping floors dry.

The base of the table is made from waterproof ABS plastic - a highly durable and impact-resistant material which also allow for regular mopping without causing damage to the product.

Situated between the top and base is a wood-effect Hickory finish which will lend a warm tone to any environment.

CIRRUS

Cirrus side table
 460H | 400W | 400D (mm)
 Weighted (42kg)
 DURA-TEC top: 1CUS-WH-D
 CLEAN-TEC top: 1CUS-WH-C

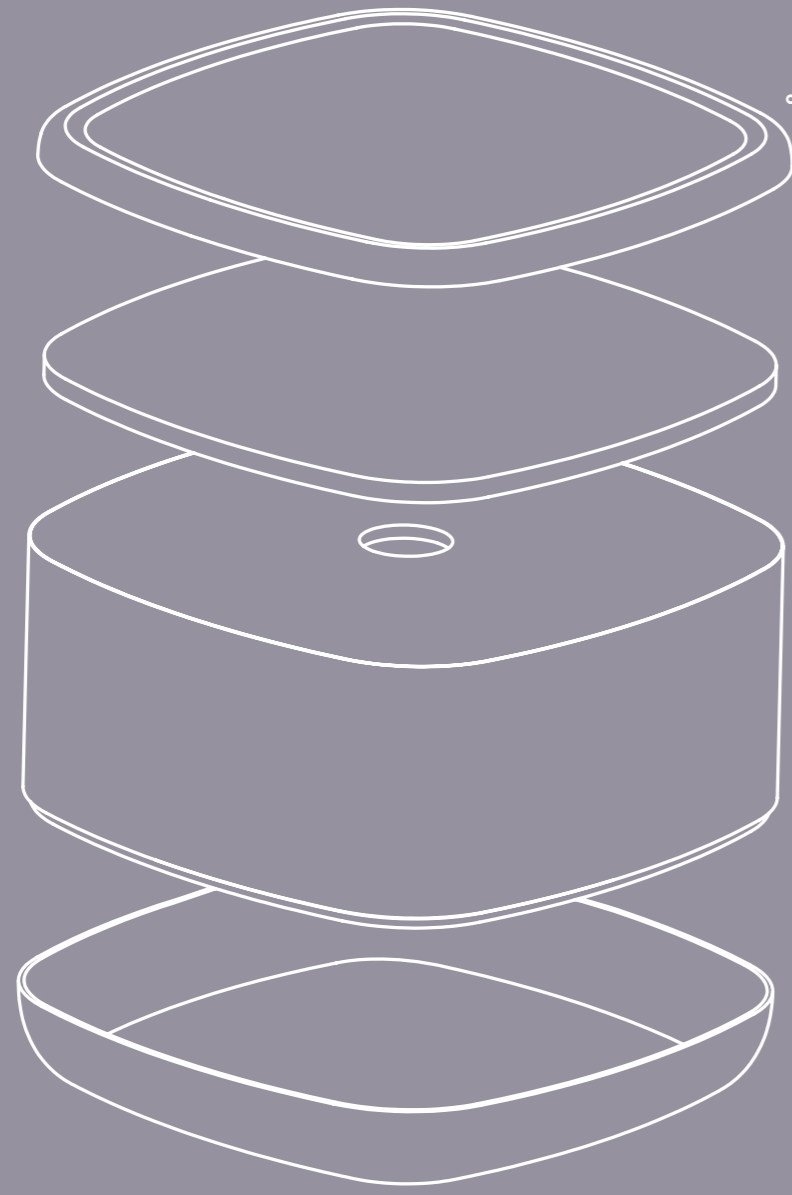

Cirrus coffee table
 420H | 700W | 700D (mm)
 Unweighted (60kg)
 DURA-TEC top: 1CUF-0-WH-D
 CLEAN-TEC top: 1CUF-0-WH-C
 Weighted (82kg)
