

APPA LOUNGE HIGH BACK CHAIR WITH ARMS

1AXL-400
1188H | 656W | 685D (mm)
Seat height: 482mm
Weight: 14kg

KEY FEATURES

- Strong, stylish and hygienic
- 38mm powdercoated steel frame
- Hygiene gap for ease of cleaning
- Smooth welded joints for safety
- Security fixings (colour matched to frame)
- Plastic non-scratch feet to protect flooring
- Non stackable, available with arms only
- Seat static load internal test (500kg)

MATERIAL/FABRICATION

The Appa range features a 38mm powder-coated steel frame, ensuring robustness, durability, and ease of cleaning, making it ideal for lower to medium-secure environments. The frame comes in Anthracite Grey as standard, with the option to customise in five additional RAL colours, each carefully selected to complement our signature Ryno® palette. Tamper-proof security fixings are included as standard and are colour-matched to the frame for a cohesive finish.

With hundreds of upholstery options available, each chair can be tailored to suit any interior scheme. 10mm plywood back and 12mm plywood seat platform with 20-35mm thick cushioned areas are made from fire-retardant, CMHR (combustion modified high resilience) foam, offering safety and comfort for both users and staff.

TEST STANDARDS

- Strength and stability tested for severe contact use (BS EN 16139:2013 level 2)
- ANSI/BIFMA X5.4:2020 Public and Lounge Seating
- Seat static load internal test (500kg)

OPTIONS

- High and low back options
- Appa Dining range also available

DELIVERY

Leadtime 8 weeks for stocked items.

WARRANTY

7 year guarantee (does not include fabrics)

COLOUR/FINISH

Frame available in (core) Anthracite Grey (RAL7016), other (non-core*) colours are available; Dusty Blue (RAL5014), Teal (RAL5021), Elm Green (RAL6028), Moonwalk Grey (RAL0806005) and Terracotta (RAL8004).

*MOQ for non-core frames is 4.

FABRIC

Available in a wide choice water-resistant upholstery for seat and back cushions (N.B only 1 fabric option per chair).

ASSEMBLY

Product arrives assembled and ready to use.

INSTALLATION/FITTING

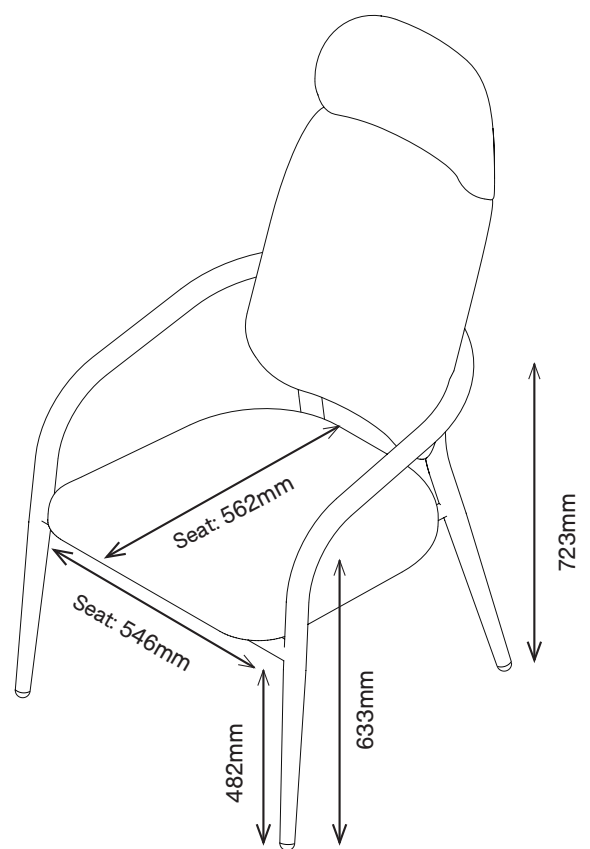

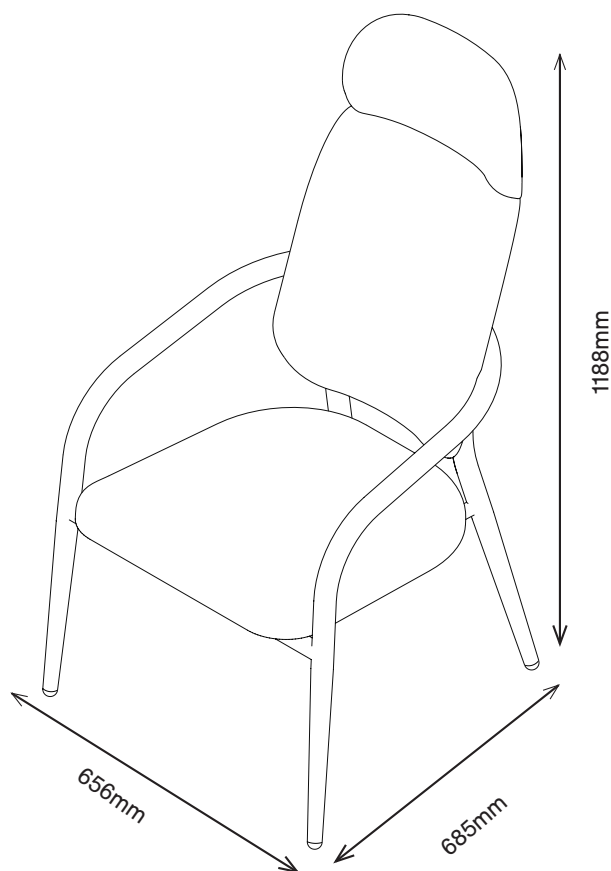

No fitting required.

MAINTENANCE

Wipe surfaces with a soft cloth dampened with mild soapy water. For disinfecting, use non-bleach cleaning agents that are compatible with the upholstery fabric—refer to the fabric manufacturer's guidelines for best results. Avoid using abrasive cleaners or tools that may damage the powder-coated finish. Do not saturate the foam; if dampened during cleaning, allow it to air dry completely. Note: This product is intended for indoor use only.
