

SNUG

Modular versatility combined
with sumptuous comfort

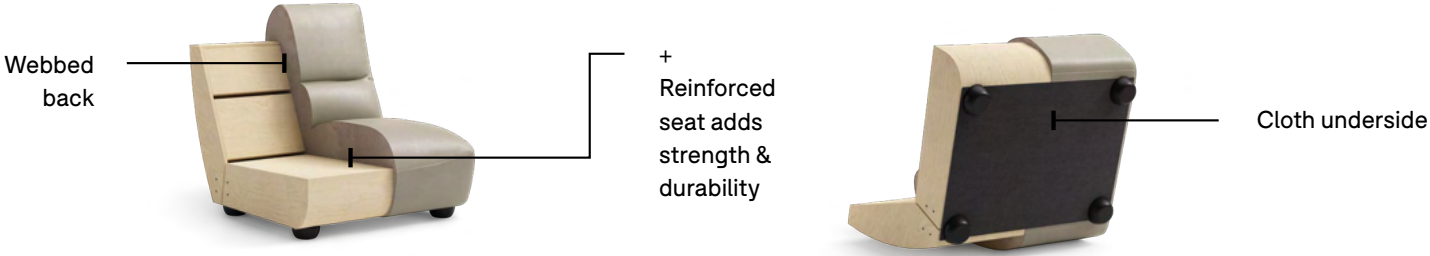

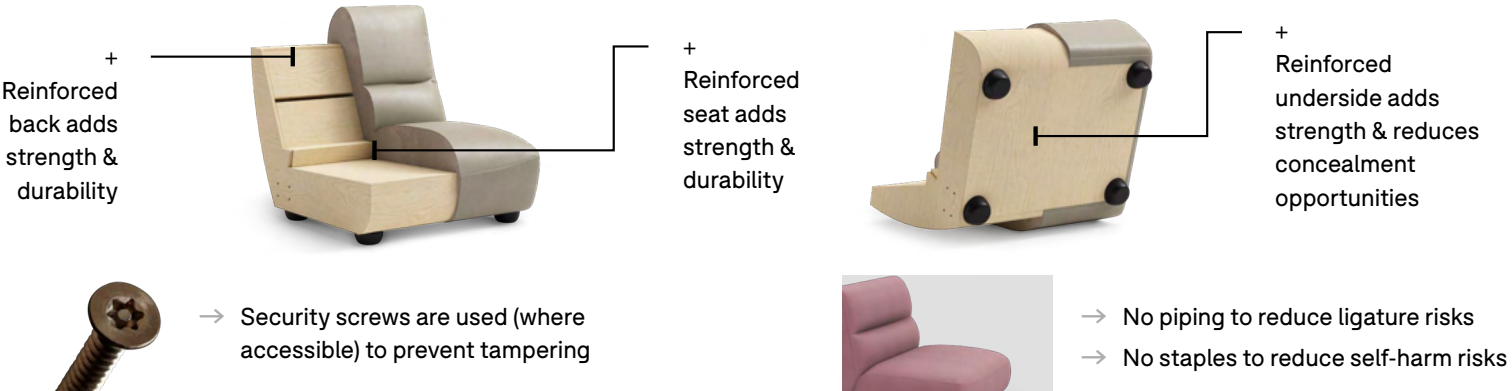

Pineapple

FOR PEACE OF MIND

All of our products are designed and tested for use in demanding environments, but for the most challenging spaces, our Plus ranges have extra reinforcement for maximum strength and durability.

[illegible]

STANDARD VS PLUS

STANDARD	Durable construction, perfect for low risk spaces  Webbed back + Reinforced seat adds strength & durability Cloth underside
PLUS	Enhanced strength and safety features for challenging environments  + Reinforced back adds strength & durability + Reinforced seat adds strength & durability + Reinforced underside adds strength & reduces concealment opportunities → Security screws are used (where accessible) to prevent tampering → No piping to reduce ligature risks → No staples to reduce self-harm risks

SNUG

Modular design
allows pieces to be
used individually or in
multiples to create
an arrangement to
best suit any space

Upholstery options

Available with a wide choice
of upholstery including
water-resistant vinyl and fabrics

Soft, deep foam used for excellent comfort.

No-arm design aides de-escalation and low overall height provides clearer sightlines for staff. Interior made from fire retardant, CMHR (combustion modified high resilience) foam is safe for both users and staff.

	Black plastic feet, help to protect flooring and facilitate ease of movement
