

# OHIO

Versatile modular seating helping  
you make the most of your space

# Pineapple

# OHIO

This strong and robust seating range with a versatile modular design helps you make the most of your space.

Are you looking for flexible seating which can work with your space? Our ***Ohio*** and ***Ohio Plus*** modular sofa ranges can be rearranged into a variety of dynamic configurations. Whether you're aiming to create a quiet corner to minimise distraction, or to encourage collaboration by grouping seating together, Ohio is the perfect choice.

#### Solid ski leg

To further reduce ligature risks, a solid ski leg creates a smooth, rounded surface to minimise the risk of potential injuries

#### Plinth base

Optional tapered plinth base prevents dust and dirt gathering underneath

[illegible]

# STANDARD

Webbed  
back

plus

Reinforced  
back adds  
strength &  
durability

+ Reinforced underside adds strength & reduces concealment opportunities

- No piping to reduce ligature risks
- No staples to reduce self-harm risks

- Security screws are used (where accessible) to prevent tampering
