

INTERNAL TESTS

Ryno Blossom Bench - 30kg

Sample: Ryno Blossom Bench
Date: 21/07/2026
Tester #1: Jonathon Drummond
Standard: PIN-001.3:2025
Reason for test: Static Load Test

Test Type	Photos	Comments (including pass/fail)
Static load	Two photographs are shown. The top photo shows a large stack of sandbags placed on the green bench. The bottom photo is a close-up of the sandbags, with a yellow measuring tape visible.	The bench successfully withstood a load of 750 kg. Slight bowing but no additional permanent damage or deformation was observed following the test. -Pass
