Product name	Ryno® Adirondack
Product ID	1RYE
Product description	The Ryno® Adirondack Chair is a robust outdoor seating product manufactured in the USA from rotationally moulded, UV-stabilised low-density polyethylene (LDPE). Its one-piece construction provides a strong, seamless and water-resistant finish suitable for demanding outdoor environments. The chair features a wide footprint for enhanced stability and is supplied at a standard weight of approximately 18 kg, with additional weighted options available where required. The material is hygienic, easy to clean, weather resistant and 100% recyclable. The Ryno® Adirondack Chair is available in all standard Ryno® colours, excluding OceanGreen and Granite.
Product Models covered By declaration	1RYE-F-00, 1RYE-00, 1RYE-62
Test Lab	SATRA Technology Centre Ltd FIRA International
